SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97(b)

1. The Supplemental Information Disclosure Statement (IDS) transmitted herewith is being filed after the mailing date of the first Office Action on the merits, but before the mailing date of either a final action under § 1.113 or a notice of allowance under § 1.311.
2. Accompanying this transmittal is a certification as specified in 37 CFR 1.97(e).

Certification Under 37 C.F.R. § 1.97(e)

I hereby certify that no item of information in the Supplemental IDS filed herewith was cited in a communication from a foreign patent office in a counterpart foreign application or, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this Supplemental IDS. 37 CFR 1.97(e)(2).

The cited patent reference is listed as a priority document for U.S. Patent No. 6,430,542 (Moran) and first became known to Applicants upon review of the Office Action dated January 27, 2005. The enclosed non-patent reference, iRebal, was recently discovered by Applicants. Applicants have no knowledge regarding the release date of iRebal. Applicants have no knowledge that iRebal constitutes prior art. The enclosed Bruckenstein article describing iRebal implies that it was only recently released.

3. It is requested that the enclosed reference listed on the attached Form PTO/SB/08A be considered by the Patent Examiner in connection with the above-identified application and be made of record therein, and that the listed document be cited in the issued patent.

4. In accordance with the Official PTO waiver, a copy of the U.S. patent listed on the Form PTO/SB/08A is not attached. The official waiver withdraws the requirement under 37 C.F.R. § 1.98(a)(2)(i) for submitting copies of each listed U.S. patent and application for applications filed after June 30, 2003. A copy of the listed U.S. patent will be provided upon request.

5. The filing of this Information Disclosure Statement shall not be construed as an admission that the listed document constitutes prior art, nor as an admission against interest in any manner.

6. No fee is believed to be due in connection with the filing of this Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayments to Deposit Account No. 50-1017.

Respectfully submitted,

STEVEN A. BOVE et al.
